

June 16, 2009

To Our Valued Customers:

Every year we evaluate our product mix with an eye to achieving better inventory turns and return on our inventory dollar investment. As we move through this unprecedented economic period, turns and return on investment are particularly important.

With that in mind, we are announcing today that we will be discontinuing the Aurora Deck Light line. This will be effective July 1, 2009.

Realizing that some of our customers are selling Deck Lights, we have arranged continued availability of the Deck Light line through Deck Light Distributors LLC. In addition, your costs will remain the same for the foreseeable future.

Contact information for Deck Light Distributors LLC is as follows:

Telephone: 866-356-1144  
Fax: 732-563-0106

As always, we are committed to servicing your needs and BWI will assist you whenever help is required to make this transition as seamless as possible.

Thank you for your business and continued support of Bridgewater Wholesalers.
